Dear Industry Members,

Attached you will find the Almond Board of California's Position Report for April 2004.

I feel that I should remind you of the adjustments that were made by handlers last year during this same reporting period, April 2003. These adjustments reflected an increase of 7.5 million pounds of domestic shipments and 1.1 million pounds of export shipments. The adjustments were made after a few handlers discovered errors in their previous months' shipments, requiring ABC to adjust the year-to-date totals.

Should you have any questions, please do not hesitate to call Sue Olson (209) 343-3224 or me (209) 343-3215 at the Almond Board.

Sincerely,

Richard Waycott  
President & CEO
